

RELAXING BODY CREAM

Make every day feel like a new day. The MYND360[™] system brings you 6S-certified-safe, scientifically sound solutions designed to help you sleep better, stay focused, skip the stress, and strengthen your memory. This clinically backed product line is formulated with powerful ingredients that can deliver full-circle cognitive support. Get ready to prioritize and personalize your mental wellness regimen. Your mind is what matters most with MYND360.

MEET RELAXING BODY CREAM

Help prepare your mind and body for rest and relaxation. Relaxing Body Cream is specially formulated with topical nutrients like calcium and magnesium that leave your skin soft, moisturized, and smooth while boosting your skin's natural barrier. Plus, it has a light, relaxing fragrance to help boost your mood and enhance your feelings of relaxation. Simply apply, inhale, and unwind.

WHY YOU'LL LOVE IT

- Relaxing aromatherapy helps provide positive mood support.
- The Peaceful Woods fragrance helps prepare the mind and body for relaxation.
- Unique light formula absorbs quickly to moisturize without feeling greasy.
- Softens skin to leave it looking and feeling silky smooth and refreshed.
- Calms and soothes skin to visibly reduce fatigued appearance.
- Soothes stressed-looking skin by utilizing the calming effects of Magnesium and lotus flowers.
- Replenishes and protects by boosting skin barrier function.
- Helps improve overall healthy appearance and well-being.
- Provides topical nutrients, Calcium, and magnesium, for holistic wellness.
- Safety-Dermatologist tested.

WHAT POWERS IT

- **Magnesium and Lotus (Nelumbo nucifera and Nymphaea caerulea) Flower Water**—this combination of magnesium and two unique Lotus flowers soothes stressed skin, helping it look and feel more comfortable.
- **Calcium**—this skin-loving ingredient helps maintain and strengthen skin's natural moisture barrier.

- **Peaceful Woods Fragrance**—this fragrance blend has been scientifically developed and clinically shown to support positive mood and enhance feelings of wellbeing and relaxation.

MYND³⁶⁰™ RELAXING BODY CREAM

LEARN MORE ABOUT IT

What makes the fragrance in MYND360 Relaxing Body Cream so special? The fragrance in MYND360 Relaxing Body Cream is one of our key ingredients. While most fragrances are added to formulas to mask base odors or improve overall product aesthetics, we specially selected the fragrance to support feelings of enhanced wellbeing. The Peaceful Woods fragrance has been scientifically developed and clinically shown to support positive mood and enhance feelings of wellbeing and relaxation. In short, Relaxing Body Cream has a potent fragrance to help you enjoy the scent fully. As always, we ensure the formula passes all our rigorous safety tests.

Can MYND360 Relaxing Body Cream be paired with other MYND360 products?

Yes. MYND360 is a perfect companion to other MYND360 products. The Peaceful Woods fragrance in Relaxing Body Cream is designed to influence feelings of peace, creating a harmonious experience when used together with our other products.

What does Calcium do for my skin? Our skin includes a moisture barrier. This barrier helps maintain skin hydration and protects it from the daily barrage of stressors. Calcium can help maintain and strengthen this barrier.

How do Magnesium and Lotus Flower Water benefit my skin?

This skin-loving blend of Magnesium and White and Blue Lotus flowers (*Nelumbo nucifera* and *Nymphaea caerulea*) soothes stressed skin, helping it look and feel more comfortable.

How does MYND360 Relaxing Body Cream support Nu Skin's commitment to become more sustainable?

As responsible stewards of our planet, we have proudly designed the Relaxing Body Cream tube to be made from renewable bioresin. Please check your local capabilities and recycle all bottles, cartons, and jars where possible. By purchasing Relaxing Body Cream, you're joining us in taking an active, engaged stride to ensure the future is bright for both the planet and each of us. Visit nuskin.com/sustainability for more information and details on how to recycle.
